## **TERI's Potpourri Resale & Gift Shop Grand Re-Opening Supports Autistic Community** *"Everything Old Is New Again"*

Oceanside, CA – TERI's Potpourri on the Coast, a gift and resale shop that supports autistic and developmentally disabled children and adults, welcomes you to their Grand Re-Opening Celebration, Thursday, October 18th. The shop has a fresh new look and design, making it even easier for treasure hunters to find that special something. Clothing, furniture, glassware, jewelry, art, and specialty décor items are available at bargain prices, and all profits benefit the multiple programs TERI offers in the San Diego community.

The Ribbon Cutting Celebration, Oct. 18<sup>th</sup> at 5 p.m., will offer wine and cheese to guests. A special sale will take place that week, Oct. 15-19. Potpourri On The Coast also operates as a training site for TERI, and tax deductible donations of gently used items are welcome.

Founded in 1980 in San Diego, TERI, a private, non-profit 501(C)(3) corporation, is dedicated to offering a wide range of services and programs supporting individuals of all ages with developmental and learning disabilities and their families. As a major component in this effort, TERI has conceived the Center for Research & Life Planning, a new campus, to be located in the Twin Oaks Valley area of San Marcos, consolidating TERI's educational, research, therapeutic, training, vocational, and recreational programs into one site. For more information on how you can get involved with TERI and the Center for Research & Life Planning, please call Vaughn Welty at (760) 721-1706.

The event is open to the public. For more information, contact Laura White, Director of Development, TERI, at (760) 721-1706.
